

iPROMOTEu FACT SHEET

WHO WE ARE

iPROMOTEu is a nationwide network of independent promotional products distributors and salespeople. We exist to provide promotional products distributors with the freedom, time, and financial means to do what they love. We are not a franchise, nor are Affiliates obligated to remain affiliated. We believe that through our model, distributors and salespeople can achieve business success and their customers enjoy better overall experiences. For the past 20 years, everything we have offered has made life better and easier for Affiliates and their customers.

WHY IT MATTERS

iPROMOTEu has established a superior Affiliate platform. Our track record clearly demonstrates the value we provide. More than 600 distributors throughout the U.S. and Canada are affiliated with us. Additionally, these affiliates have more than 633 salespeople working for them. The entire iPROMOTEu network consists of more than 1,300 promotional products professionals. As only experienced distributors can join our organization, our Affiliates gain an excellent reputation and are more qualified, knowledgeable, and service-focused than other distributors.

WHAT WE DO

iPROMOTEu partners with experienced promotional products distributors and salespeople looking to take their businesses to the next level. We provide nearly every administrative function for Affiliates, including order management, sales and marketing, business strategy, technology support, and more. These services enable them to spend more time building relationships and growing their businesses. Moreover, our superior relationships and leverage with suppliers ensure that orders proceed as planned and according to schedule.

OUR INDUSTRY POSITION

For the past several years, iPROMOTEu has been recognized in the industry as one of the largest, fastest-growing, and best promotional products organizations. We are an ASI Top 40 Distributor and have consistently been recognized as one of the top 10 best places to work in the promotional products industry. Outside of the industry, we have been included for six consecutive years in the Inc. 5000 — a listing of the fastest-growing private companies in America. No other industry organization has enjoyed such favorable recognition.
