LARGE 2" X 15" IMPRINT AREA

Scramble Pic is considered a billboard that has space for 10-20 logos; sell each location to sponsor and raise even more for charity events.

SCRAMBLE PIC®

A Scramble is the most popular format played in fundraising golf tournaments. The Scramble Pic helps pick up golf balls without having to get out of the cart which greatly accelerates the pace of play. It attaches to the frame of most golf carts and allows advertisers the opportunity to have four hours of logo exposure at the tournament and the rounds to follow. The Scramble Pic is a money generating accessory because it is large enough to display multiple messages and brands. Price includes a full color imprint.

Golf Flags are ideal to get added revenue at a very small cost. Events charge anywhere from \$100 to \$2,500 to be a hole sponsor. Full Color custom flags only cost \$25 and can be used year after year or can be signed and given to the sponsor as a thank you.

GOLF FLAGS

The 21"X 13" dye sublimated golf flag offers a solution to the high cost of printing individual customized flags. This print method has no logo minimums and prints full color with only one set up fee. The dye sublimated flag is a great way to raise extra money for your golf event with multiple sponsorship opportunities.

Which Golf Tee is Right for You?

Most tees sold are made of wood (PTW), however there is a movement toward more durable performance tees. It's common to break a wood tee every few holes. FlyTee tees (PTE/PTF) cost more but they last a lot longer, thus providing increased exposure. Flytee tees offer less resistance at impact for more distance. Similar to wood, the bamboo tees (PTB) are a great alternative. Though slightly less durable, they are a more budget friendly option. Price Per Thousand.
