EVERSOLE RUN[®]

CUSTOM APPAREL EXPERTS

Eversole Run is excited to introduce you to our 2020 catalog! A catalog full of ideas and concepts to spur your imagination when it comes to custom promotional apparel.

Established in 1997, we still remain a family owned and operated company that believes in quality, value, and integrity. Often people have asked us where we came up with the name "Eversole Run." We say the inspiration came from a small creek near our home by the same name. Like the creek, which feeds into the greater Scioto River, we have evolved into a company that greatly contributes to the promotional product industry.

Our philosophy is simple. Make custom apparel easy. Offer low minimums, unlimited PMS color options, in stock fabrics, all-inclusive pricing, and quick 21 calendar day delivery. Count on us being with you each step of the way from concept to delivery. Let us help you create that one-of-a-kind shirt, jacket, or apron for your customer. Then be prepared to "eliminate your competition."

WHY SUBLIMATION?

Be as unique as you want to be with no color or graphic limitations. This process permanently bonds the dye into the fabric and will not fade or crack unlike screen printing. If you can imagine it, we can print it.
