Etched Soft Enamel

Light weight pin with smooth finish

A great economical alternative to struck pins! Each design is etched into brass using a photo acid process. The recessed areas are then hand-filled with soft enamel and covered with an optional epoxy coating at no extra cost. Etched pins are slightly thinner than struck pins and plated in 24kt gold, silver or copper.

Recognition, Award and Years of Service Pins *Recognize your hard working employees*

Any process can be used to make a recognition pin but we recommend cloisonne or sandblast for the highest quality. Available options to enhance the distinction between years of service are: Screened Years, Rhinestones, Gold/Silver/Copper Plating, hanging year or bar tabs. Changing the enamel colors between years is a great way to distinguish them from each other - and is free!

Custom Golf Products

Each of the styles shown below includes a custom ball marker insert that is magnetically attached to the center of the divot tool or cap clip. The divot tool is available in either antique brass or antique silver metal finish. The ball markers are available in high polish gold or silver metal finish. Ball marker includes up to 4 soft enamel colors and an epoxy coating for protection at no extra cost.

Rush ball markers done in 5 days are photo printed instead with brass or nickel outer edge. All ball markers attach to their corresponding attachment with a strong magnet.

General Information

- **No Die Charges**

There are no die charges unless otherwise specified in the catalog. Some die cast products and items with 3D details may require die charges. Call for a quotation. Less than minimum or specialty items may require an extra fee. Dies are usable for 2 years and then must be replaced and charged again.

- **Tariff Pricing**

Due to uncontrolled potential US/China tariff increases, pricing on any and all products may increase during the year without warning. We strongly recommend requesting quotes for all items.

- **Cutout Charges:**

Emblems that require interior holes or piercings will be subject to a \$40 (P) charge per cutout.

- **Standard Backings:**

Emblem price includes a military clutch, rubber clutch or charm/medal loop. See page 21 for pricing on alternative backings or attachments.

- **Minimum Orders:**

Cloisonne, Die Struck Soft, Etched Soft Enamel, Sandblast, Antique, High Polish and Screen on Cloisonne have a minimum of 100 pieces per design. Iron Soft Enamel minimum is 500 pieces per design. PVC has a minimum order of 500 pieces per design. Patch order minimum is 50 pieces per design. Screen on steel and photo on steel have a minimum of 300 pieces per design. Coins have a minimum order of 100 pieces per design. Less than minimum orders available on some products, with a surcharge. (call for prices).

- **Colors:**

Cloisonne, die struck soft, etched soft, iron soft and cast includes up to four colors. Patches include up to 9 thread colors. Photo on steel includes 4 color process printing. PVC includes up to 5 colors. Pantone matching is free. Add \$0.10(P) per piece for every color over the included number of colors. No charge for color changes throughout your order (example: 50 with black background, 200 with red background)

- **Packaging:**

All items are individually poly-bagged. A large assortment of optional packaging is available including boxes, velour bags, and cards for an additional charge. See page 20 for packaging ideas. Country of origin will be marked on all polybags for all products.

- **Artwork:**

Camera ready preferred. Artwork can be done by our in-house art department with no charge once purchase order is received. Artwork formats accepted: ai, eps, cdr, pdf, psd, gif, bmp, jpg. PC format required. All fonts must be converted to outlines before submitting to KB Line. KB Line is not responsible for artwork with text not converted. If submitting artwork for screen or photo print on steel/brass process, camera ready artwork is required at 300-600dpi or vector format. If order is canceled after artwork has been created a \$80 (P) charge will be applied.

- **Preproduction Samples:**

Preproduction samples are available with a \$150.00(P) deposit plus any applicable setup charges and 2-4 week delivery. Upon approval of sample, \$150.00(P) is applied to order and an additional 3-4 weeks is required to complete production. Large sizes, cast items, coins or PVC may require a larger deposit.

- **Production Time:**

Normal production time is 3-5 weeks after artwork approval. Some items require longer production time, such as sculptured figures. This will be noted on your confirming sales order. Photo imprint on brass can be completed in 3 weeks only if camera ready artwork is supplied. Rush orders: Many of the pin processes may be rushed for production in 2-3 weeks. A rush charge will be incurred based on quantity and date. Authorization for over-night shipping may also be required to meet your date.

- **Ordering Confirmation:**

All orders are confirmed in writing with your customer number and order number. Please refer to this order number when inquiring. When reordering, please refer to prior purchase order and provide the correct style number if available. Orders submitted via telephone are not valid and must be followed by a written purchase order.

- **Shipping:**

All orders are shipped via UPS or FedEx unless otherwise arranged, F.O.B. California. A \$5.00 handling charge per box is applied to every order shipped. We cannot be held accountable for carrier delays. For drop shipping or split shipments, add \$5 per location plus freight / handling. A list of addresses is required with purchase order. Add \$5.00 per box for 3rd party shipping. If shipping via USPS an additional \$10 charge will be applied.

- **Terms:**

Net 30 days on approved credit. All first time customers must prepay. Some orders may require a 50% deposit before production.

- **Copyright Items:**

All copyright items require permission from copyright holder before production of order can begin. We do not assume any liability for trademark or copyright infringement.

- **Quotations:**

All quoted prices are subject to change after quotation, based on artwork requirements. Prices are valid for 2 months after quotation date or until end of calendar year. Only written and approved quotes will be honored.

- **Cancellations & Corrections:**

Any cancellation of an order in progress will be subject to all costs incurred to that date. Any change must be in writing. If artwork has been created by our art department before cancellation, a \$80.00 (P) charge will be incurred.

- **Incorrect Shipping Address on Purchase Order:**

Customer is responsible for all surcharges from carrier if a wrong address is specified on your purchase order.

- **Returns:**

Goods should be inspected upon receipt. Any claims or discrepancies must be made within 10 days of receipt of merchandise. Merchandise must be returned for credit.

- **Accepted Credit Cards:**

Visa or MasterCard accepted. Surcharges may be applied on certain orders due to high processing rates.

- **Country of Origin:**

All items manufactured must bear a country of origin marking in accordance with US Customs regulations. All pins, coins, medals, key chains and other items offered in this catalog will be placed in polybags imprinted with country of origin. Certain circumstances require a country of origin sticker or stamp on the product. Most items made by KB Line are manufactured in China.

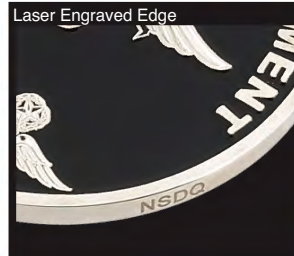

- **We Guarantee All of Our Products and Services:**

KB Line guarantees quality, service and delivery. KB Line is not responsible for carrier delays.

- We are California Prop 65 Compliant and our products are tested by third-party labs to insure safety. Please contact us for current testing reports.

All prices subject to change without notice - Due to high risk of additional international tariffs, pricing may change at any time. Please call or email for the most accurate pricing.
