A WORD ABOUT SAFETY

For over 46 years, it has been our commitment to provide you with safe, high-quality, and age-appropriate products. Safety is our top priority at Liqui-Mark. We have ensured that our products are safe and non-toxic.

As a leading brand of children's products & writing instruments, we have always taken a leadership role in product safety. Our products are evaluated by independent toxicologists to ensure we are offering safe and non-toxic products of the highest quality. All Liqui-Mark products comply with CPSIA regulations.

Our Quality Control team works to ensure our raw materials and products in our global supply chain are consumer-safe, and that we comply with continuously updated government directives and voluntary standards regarding product safety and quality. We continue to evaluate, screen, and test our products and raw material components where they are sourced and manufactured - whether that is in the United States, Europe, Asia, or elsewhere around the world.

We cooperate with our customers by providing them with safety testing and compliance results when requested. We appreciate the trust that parents, teachers, and children have in Liqui-Mark.

WASHABLE MARKERS

Laundry Tips: Launder immediately in hot water for best results. Do not use prewash or chlorine bleach. Normal laundering will remove stains from most washable children's clothing, but may not wash out of materials that were not intended to be laundered such as wallpaper, matte finish paint, unfinished wood, vinyl and other materials. Severe stains may require additional laundering. Stains can be removed from skin with soap and water.

*SPECIAL PACKAGING AVAILABLE.

ARTWORK STANDARDS

Email art to art@liquimark.com

The quality of your imprint begins with submitting the artwork correctly. **Black and white solid line art is required for all imprint jobs.** Digitally produced line art provides the cleanest, sharpest imprint. Refer to our "Maximum Imprint Area" specifications, unique to each item, to ensure the best fit for your imprint.

- For best readability fonts should not be smaller than 7 points.
- Ruled lines should not be not less than 5 points.
- Type will be reset if necessary.

Liqui-Mark Corp. reserves the right to modify art if not up to these standards.

GUIDELINES

- A copy of your artwork **must** accompany purchase order.
- Artwork may be supplied on a CD ROM, DVD or preferably as an email attachment. Ensure that your files meet all file specifications below.
- **DO NOT SEND:** Faxes, JPG, GIF, TIFF, copies that are blurred, or raised surfaces.

• Emailed artwork must contain the following:

Distributor name and purchase order # in the "SUBJECT" line.

EMAIL BODY SHOULD INCLUDE:

Contact name with telephone #
Item #
Imprint color

Send art to: art@liquimark.com

FILE SPECIFICATIONS

- For best results, create vector art in Adobe Illustrator CS5 and save in EPS or AI format.
- If working in Adobe Illustrator CS6 or higher, make sure to save your file as version CS5 or lower before sending.
- Ensure that all fonts within the file have been converted to curves.
- Liqui-Mark **DOES NOT ACCEPT** raster based art such as **JPG** or **TIFF** files that have been "linked" from outside your file. It is extremely important that you submit all files as **outlined, vector art** and do not attach any raster images.
- Artwork will be kept on file at Liqui-Mark Corp. for a period of 2 years.

All Liqui-Mark items conform to CPSIA regulations such as ASTM D-4236 and are Non-Toxic.

Notice: This catalog supersedes all previous catalogs, prices and items.
