WHAT'S NEW
2021

What's New

New year, new styles. In preparation for 2021, we are excited to showcase a variety of new brands and styles in the S&S Activewear collection. With four exciting new brands and over 200 new styles, S&S provides the top fashion trends throughout the industry, starting with **'47 Brand**. Rooted in nostalgia, this headwear brand carries the same style, value and flair it did when it started in 1947. **Imperial headwear** prepares you for life's most carefree moments. Whether you're enjoying the cool breeze on the back nine or a day at the beach, their cool classic headwear provides style with a twist. Rounding out the new headwear brands is **Legacy**—headwear styles with legacy inspiration. Now for the showstopper... **Quikflip Apparel**, first seen on *Shark Tank* and appeared on the *TIME's* 2019 Invention of the Year list, is a brand that has your back. These convertible sweatshirts and jackets transform into backpacks at your convenience, making these the ideal layering option when the weather can't make up its mind. It doesn't end there, though. We've added new styles, colors and sizes from your favorite brands: **adidas, Alternative, Champion, Columbia, Independent Trading Co., Oakley** and so MUCH more!
