**2. Pricing and Quotes: Our website supersedes all other pricing.** We are not liable for pricing in publications, on websites or from other sources that may be different than our established pricing on our website. Orders will be priced at current published pricing unless a written quote within 30 days from order submission is less. **Custom Quotes:** As the manufacturer, we can modify existing products or create new products. Contact factory for current pricing and ideas. **Large Quantity Pricing:** Contact your sales representative for large quantity pricing. **Less Than Minimum Orders (LTM):** Orders must be at least half the minimum order quantity and price is based on first column price – no exceptions. An additional fee of \$50(V) also is applied to LTM orders. Standard Set-up Charges apply. **Blank Goods:** Blank orders will be priced at EQP minus 5%. Order must be at least half of the minimum order quantity or an additional charge of \$17(Z) will be assessed on the invoice. If blank goods require an ingredient label they will be billed at EQP unless otherwise noted and require a lead time of 5-business days. Some items may require a longer production time than others.

**3. Emailed Proof:** If factory does any designing or changing of original art submitted by fax or email a proof will automatically be sent at no charge for approval. This will include one, no-charge revision. Additional proofs will be billed accordingly at \$10(Z) each. A paper proof will not be sent unless it is requested in writing on the PO or via fax/email. Production times begin after proof approval has been received by our art department. Pre-Production Proofs, when ordered, will ship via UPS Overnight service to the distributor unless otherwise specified. "Spec-Sample" orders that develop into a full order will not have a new setup charge assessed providing no changes are made to the artwork or item. All setup charges are non-refundable.

**4. Overruns/Underruns:** Due to the nature of custom printing, we reserve the right to ship +/-5% of the amount ordered and bill accordingly.

**5. Shipping:** All orders are shipped FOB Eagan, MN 55121. Contact factory for shipping estimates. Shipping cost is billed and added to the final invoice. Orders are normally shipped via UPS Ground, unless otherwise requested and noted in writing on the PO or via fax/email. **Handling Fees:** A \$3.00(Z)/box handling fee will be added on each shipment. A \$25(Z) fee will be added to the final invoice on all orders with international shipping destinations, and a 3<sup>rd</sup> party shipper number is requested.
