\*Insert is the same for both products

**Item #464** - This item is our most economical Doodle Pad. It has a heavy cardboard placed right behind the calendar insert to keep the item stiff. (Cardboard is not sealed inside as in other calendars). Clear pocket across the bottom holds calendar in place.

**Item #467-BEST SELLER** - This item has the same great construction as our item #468 however this item does not include the metal eyelet or the seasons greeting top sheet. All other aspects of the calendar are the same. Clear corners firmly hold the calendar in place.

**Item #468-BEST SELLER** - This item is our most popular and best selling calendar. This product has heavy cardboard sealed inside to insure a sturdy product as well as clear corners to firmly hold a calendar in place.

Available in these 7 colors.  
Other colors need to be quoted.
