SPRING 20 //

A SAN FRANCISCO ORIGINAL

Rooted in bike messenger culture, we created the iconic messenger bag in 1989 in a San Francisco garage. A pioneer of customization, our classic messenger paved the way for a bright future of making city-ready bags, packs, and accessories for cyclists and movers of all walks of life. We proudly stand for urban manufacturing, quality craftsmanship, and functional meets modern design.

THE DETAILS

- Custom bags are sewn in our San Francisco factory and require 50-piece minimum four week lead time.
- Stock bags can ship out as soon as the next day.
- We can fulfill large quantity orders of 500+ for conferences and really big parties.
- We practice Lifecycle: an ongoing effort to eliminate waste. From the use of 80% Bluesign® textiles to rigorous product testing, our goal is to make tough-as-nails bags that last forever.
- Our bags have a lifetime warranty.
