## Round Ultra Vivid Acrylic Phone Stands

Item Code: Phone-AUR

These phone stands feature 1/2" thick clear acrylic cut to 4" diameter. Each one is printed with our Ultra Vivid print process. Rubber feet are available for an additional \$1.00 (P).

Optional Insert to accommodate larger phones for an additional \$1.00 (P)

## Logo Tac Surface Clings & Signs

Item Code: Cling-CU

These items feature our durable Ultra Vivid print process on a 14 mil flexible micro suction material that will grip to almost any smooth flat surface. Logo Tac is magnetic receptive, so you can use magnets in conjunction with Logo Tac on materials like stainless steel and aluminum. The micro suction keeps the material firmly in place without leaving any residue when removed. Logo Tac products are shipped with a protective release liner to be removed before use.

Surfaces must be clean and free of debris prior to application. Clings should be removed prior to cleaning application surface. For outdoor applications, periodically remove, clean and reapply. To clean suction surface, rinse with water & allow to dry completely before re-application.

Logo Tac shown on the back of a phone case. Phone case is not included.

## Promotions Proven to Last!

Our unique and quality products can keep your message in view for many years. It's no surprise our acrylic magnets have been sought after for more than 30 years. Don't settle for a cheap imitation.

We are committed to the same "5 STAR" quality and service you have been accustomed to.

We proudly manufacture or print all of our products at our Monroe, WA production facility. We also offer "Made in the USA" products that meet the rigorous "all or virtually all" standard enacted by the Federal Trade Commission (The FTC requires that the materials in a product be all or virtually all of USA origin in order to make Made in USA claims.)
