## Get your message out there with our other items!

Magnets, Coasters, Plaques, Signs

Customize with your logo and message for your employees and customers.

## Why Show Laser Cuts to Your Customers?

For years we have been providing FREE spec samples & virtual proofs to eliminate your financial risk when presenting our products. WHY? Because it works! When you show Laser Cuts, everyone wins! With low minimums, quick delivery and no surprises, WHY NOT show Laser Cuts to all your clients?

## Promotions Proven to Last!

Our unique and quality products can keep your message in view for many years. It's no surprise our acrylic magnets have been sought after for more than 30 years. Don't settle for a cheap imitation.

We are committed to the same "5 STAR" quality and service you have been accustomed to.

We proudly manufacture or print all of our products at our Monroe, WA production facility. We also offer "Made in the USA" products that meet the rigorous "all or virtually all" standard enacted by the Federal Trade Commission (The FTC requires that the materials in a product be all or virtually all of USA origin in order to make Made in USA claims.)
