

FRANMARA, INC.

Dear Customer,

We want to thank you for making the PPAI Expo Show a success during these trying times. I, for one, was a little disappointed that I wasn't able to "see" all our wonderful repeat customers in person this year. I look forward to this show every year. On a positive note, it was great to say that my feet didn't hurt on day two of the show. This is something none of could say before.

If you need a copy of our 50Th Anniversary Catalog, call 800-423-5855, email orders@franmara.com or download it at <https://viewer.zoomcatalog.com/franmara-2020>.

Thank you again for visiting with us at the virtual show. Stay healthy and we look forward to working with you soon.

Thanks again for visiting us at the virtual show, stay healthy.

Moscow Mule Cups

Each has a unique coating to resist tarnishing. Mugs can pre-chill in the freezer. Mule Mugs are great vessels to use for beer, cocktails and coffee as well as the famous Moscow Mule. Stainless Steel based, with food grade copper plating on the surface (except #8396, black powder coat outside). Good hand grips are inclusive.

Traditional Mosdow Mule drink: Combine 2 oz vodka and 6 oz ginger beer in a copper mug fill with ice. Add 1/2 oz lime juice. Stir gently and garnish with a lime slice. Pour over ice in a Copper mug.

Franmara, Inc. is a manufacturer and master distributor of corkscrews, barware, wine and cheese accessories, and much more. The company was established in 1970 now is situated in our own "state-of-

the art” solar-powered HQ building in central California. Franmara does not sell directly to the public.
