OUR COMMITMENT

SnugZ USA® will make every effort to provide you with the best service and best value for your money. We put our customers first and value our relationships. We will treat you with respect and fairness. We promise that our relationship as partners will be pleasant and reliable.

SETUP CHARGES

See individual items for setup charge. Setup is per imprint/color. If order consists of multiple scents, flavors or colors, a minimum of first column pieces per variation will apply.

REPEAT SETUP Please reference previous purchase order number. Repeat Orders are subject to another setup charge for 1/2 original set up charge as long as there are no changes to the artwork. NOTE: Any changes to the artwork or a change in the product is not considered a repeat and will incur a new setup charge.

ARTWORK

ARTWORK OVERVIEW: We highly suggest submitting all artwork via email as vector files with all text converted to curves or outlines. Set document color mode to CMYK and call out colors as PANTONE® PMS® if specific colors are required. When unable to send vector art, a resolution of at least 300 dpi is suggested for all gifs, jpegs, and tiffs (non-vector formats). Files should be submitted to the correct email address (ARTWORK@SNUGZUSA.COM) to ensure no delay in processing. We are a PC-based company, but can accept files generated on a Macintosh.

PREFERRED FILE FORMATS: AI – Adobe® Illustrator®, EPS – Encapsulated Post Script and PDF – Portable Document Format - Adobe PDF.

NOTE: Artwork created in another program and saved as another file extension does not guarantee acceptable artwork. (i.e. a jpeg saved in Illustrator as an .ai file does not make it a vector file.)

ACCEPTABLE FILE FORMATS: TIFF, JPEG, GIF, PSD – Photoshop Document or Camera-Ready Art (see below).

NOTE: Formats above will not always be acceptable depending on the product ordered and the quality of the file.

PAPER PROOFS AND ARTIST CHARGES

PAPER PROOFS: Paper Proofs are waived unless requested on purchase order. Up to three email proofs are provided free of charge on all orders, including repeat orders. Proofs will be \$10.00(z) thereafter.

Before we will begin production on your order if proof is required (add 2 business days), your proof must be approved by email or fax. Returning the art approval promptly is the responsibility of the distributor. Delay in returning art approval may affect scheduled ship date.

ART CLEANUP & RE-CREATION: If it can be done within fifteen minutes, the SnugZ Art Department will touch-up or re-create your art for free. Time consuming touch up or re-creation of art may be subject to a \$35.00 (v) charge per hour. You will be notified of charges before we begin work.

CAMERA READY ART: Please be aware that print quality will be reflected in the quality of the materials you provide. Artist charges of \$35.00 (v) per hour may apply to camera-ready artwork that is sent to us in hard copy form.

TRADEMARKS: All logos, copy and other materials submitted by customers for our use in producing items ordered will be accepted as fully compliant with all applicable laws regarding trademark, service mark, copyright, right of privacy, patent, or similar protection.

ORDER ACCEPTANCE

We reserve the right to decline your order. Production time begins when we have your complete purchase order and usable artwork. All info needs to be in by 12:00 PM EST in order to count as a business day. Any missing information from your purchase order will delay your ship date.
