SAGE 52284 | ASI 61966

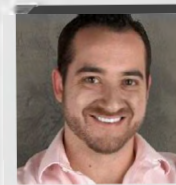

WOW! What started as a routine year full of excitement for the Webb Company, quickly turned into a tsunami of hand sanitizer orders that put us into hyperdrive. We expanded operations quickly and had a year we never could have imagined. We are forever grateful for the support, kindness, and loyalty of our amazing customers. Throughout this booming opportunity and challenge, Webb Company was acquired by the most amazing Promotional Products Supplier in the industry, HPG (Hub Promotional Group). Alan Webb, Founder and CEO retired, and we introduced Dean Ruzicka as our new General Manager.

Looking ahead to 2021 and beyond, Webb Company is the new home for Personal Care at HPG. We are finalizing our new state of the art build-out at our Eagan, MN facility to drastically increase capacity in our liquid fill division, focusing our efforts on being the #1 Personal Care supplier with the largest selection of elegant fragrances and mouthwatering flavors, all made from the highest quality ingredients right here in the USA. I know the team here is going stir crazy and can't wait until we can get out and see our friends again soon.

From the bottom of our hearts, thank you again and we can't wait to work on the next project with you!

*Dan Webb*
