

The background features a bright yellow sunburst pattern radiating from behind the title. At the top, there are brown mountain peaks. Below the mountains, the title 'American Zebra Line' is written in a stylized font, with 'American Zebra' in a bold, blocky font and 'Line' in a cursive script. Two silhouettes of evergreen trees are positioned on either side of the word 'Line'. Below the title, the text '2021 CATALOG' is written in a bold, blocky font. In the foreground, two cartoon zebras are walking towards the right. The zebra on the left has a green mohawk, wears blue sunglasses, and carries a blue backpack. The zebra on the right has a purple mohawk and carries a green backpack. They are holding a yellow cooler with the 'American Zebra Line' logo. To the right of the zebras is a green saguaro cactus with white star-shaped flowers. The ground is brown with some patches of light brown. In the bottom left corner, there is a small pile of hay.

Order Acknowledgment: You will receive an email confirmation for both order and art. Our customer service team will contact you with any missing information to complete your order once reviewed.

Standard Lead Time: 7-15 business days from final proof approval. Factory authorization is required before submitting a rush order. Call factory for specifics.

Ink Color with PMS-Number: We do not offer PMS-Match. We ask you to provide a PMS-Number for reference only. However, only near tonal values can be achieved and will vary from original and repeat orders. Tonal values will not appear accurate on dark products. We suggest a pre-production proof if the ink color is critical, offered at \$50.00(V) plus applicable screen charges. AZL assumes no responsibility for incorrect tonal colors.

Art acceptance for Screen Printing as follows: Adobe Illustrator (AI), Portable Document Format (PDF), Encapsulated Postscript (EPS), Scalable Vector Graphic (SVG), and Corel Draw (CDR 18.0 or earlier). Please make sure all fonts are converted to curves/outlines to ensure your imprint will appear as intended. **We do not accept Office documents (.doc, .ppt, .xls) nor bitmap files such as JPEG, GIF, TIFF, PNG, or BMP as usable art. Vector files are required for Screen-Printing.**

Art files must be able to be broken apart and edited. Bitmap images embedded within the above file formats will not be accepted. Vector files are small (most under 1MB) and can be easily emailed. If you zoom in and see pixelation, it is NOT in vector format.

Even if your product imprint color is WHITE, please make sure your art is sent in BLACK. Files sent in white appear empty when opened, making it easy to miss details. Please make sure all fonts are converted to curves/outlines to ensure your imprint will appear as intended.

Art acceptance for Dye Sublimation(4CP) as follows: Adobe Photoshop (PSD), Adobe Illustrator (AI), Portable Document Format (PDF), Tag Image File Format (TIFF), Encapsulated Postscript (EPS), and Corel Draw (CDR 18.0 or earlier). Art Must be submitted ready to use on the desired template and must include the background color, or you may select from our stock Background Patterns shown on page 49 of our digital catalog.

We prefer art files to have layers, ESPECIALLY if the background is highly detailed or patterned. TIFF supports layers. We will also accept JPEG, PNG, and GIF if they are large enough. The resolution must be at least 300 dpi (dots per inch) scaled to imprint size. All text must be rasterized to ensure it will print as intended.

Due to complexity, some multi-color images may not be possible. American Zebra will determine if a 2-side print will be possible and whether the art submitted is acceptable.

Ink Change: Offered at \$20.00(V) per change during a run.

Assort Product Colors within an order: Scuba and Neoprene \$3.00(Z) each. 50 pieces per color minimum. Stadium cups -\$10.00(V) each. 100 pieces per color minimum. Items sold in case increments will require full case purchases.

Therefore, any changes or cancellations from that point forward will incur a 20% restocking fee. Partial/Completed orders cannot be changed or cancelled. All changes must be submitted in writing via email and confirmed by phone.

Repeat Orders: No Screen charge on exact art and item if the order is placed within 1-Year of the invoice date. Over 1-Year will incur a \$30.00(V) Repeat-Screen. Both UPS and FED-EX utilize dimensional weight and cubic densities. Shipping weights listed on the digital catalog are estimates only; real weights may vary. International shipments must include appropriate documentation, brokerage along with UPS shipper number. AZL is not responsible for any Duties, Tariffs, or any other export-fees. Claims for damages, shortages, etc., must be placed with the carrier. Please retain original cartons and contents for inspection. The factory does not guarantee the orders' arrival. If the product is shipped per the schedule and arrives late due to shipper error, you are still required to pay for the order, less any refunds received from the shipper. Some orders may ship from alternative locations. The factory has no control of delivery after being transferred to the shipper.

Warranty: American Zebra warrants its products and decoration to be of good quality. Defective items will be replaced at no charge when returned within five (5) days of receipt. Our liability is limited to the invoice amount on order. Unauthorized returns will be refused and returned to the sender. Merchandise must be available to be returned for any credit or replacement.

Order Quantities: Orders are generally shipped in exact quantities. Due to the decoration process's nature, orders shipped 5% under will be considered complete.

Product Colors and Shade Variances: Product colors can vary slightly from one production run to the next. Dark color plastics, by nature, show blemishes that are not noticeable in other colors.

Plastic items Scuffs and Scratches: Due to the nature of plastics, scuffs and scratches can be seen on darker colored plastic items. This is unavoidable in the molding and printing process. These marks are not considered a defect and will not be eligible for a credit.

Foam Color & Thickness Variance: Due to the laminate surface of these products, Color and Foam consistency will vary within and from order to order; this is considered acceptable and within industry standards.

Ink Odor: All silkscreen promotional products are printed with inks that must evaporate to dry. These vapors may be trapped in the product and cardboard packaging before they have entirely dissipated. Please allow the product to "air out" We will not re-run an order based on this common odor complaint, as it is part of the printing process.

Measuring the Ounce Size of Drinkware: We use the industry-standard of measurement; filled to the brim capacity using pure water, give or take an ounce depending on elevation. In short, the higher a cup is from sea level, the less liquid it will hold. A 16-ounce cup in Santa Fe will hold less liquid than a 16-ounce cup in Galveston. American Zebra will not be liable for product size decisions. When in doubt, request a sample; we ask that you provide your UPS or FedEx shipping account number to cover the cost of shipping.

Blank Orders: Call factory for stock availability and lead time. A \$50.00(Z) minimum purchase is required on all blank orders. Item sold in case increments will require full case purchases. We do not accept returns on blank items.

Copyright/Trademark Laws: American Zebra assumes artwork submitted is in full compliance with all laws concerning copyright, trademarks, etc. By placing these orders, Purchasers agree to hold American Zebra harmless for any damages, cost, or expenses arising under violation of these laws resulting from American Zebra's use of supplied artwork.

Returned Checks: A \$25.00(Z) charge will be assessed for all returned checks. Accepted methods of replacement payment are Credit Card or Money Order only.

Printing Distortions: Printing distortions on tapered products may occur on some logos, designs, geometric shapes (circles, ovals, triangles, etc.) and will be conceded acceptable and within industry standards.

QR-Codes: We do not recommend screen-printing or sublimating QR codes on our products due to the ink consistency. One tiny flaw and the QR code may not work.

Washing of Plastic: Hand-Wash only with mild, liquid detergent soap. Do not place in dishwasher; avoid using commercial detergents or abrasive cleaners, which will damage the imprint and scratch the surface. Products are not for use in the restaurant environment.

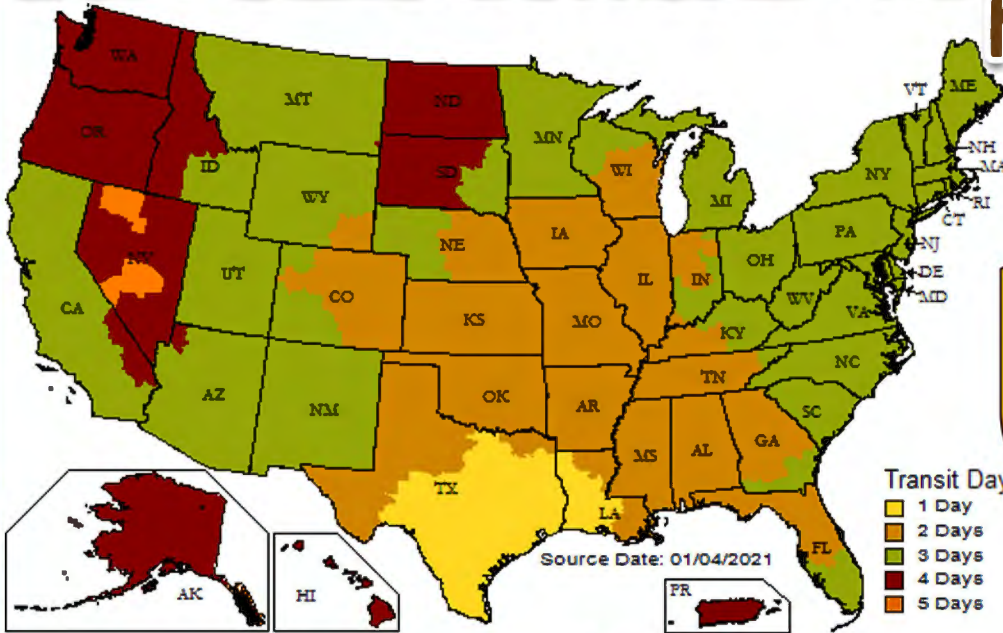

Pricing: We recommend you verify products and pricing before placing an order. Catalog pricing is subject to change without notice. We are not liable for incorrect information on third-party promotional product search engines.

Right to Promote: Unless specified in writing when the Purchase Order form is submitted, we reserve the right to use any printed item for display and promotion. Some imprints that appear in our literature are products that we have printed; however, their presence does not constitute an endorsement. Images shown on the product sample are not available for print.
