Branded Everyday Carry Solutions for the Modern Lifestyle

Why Choose Keyport?

- Award-winning everyday carry essentials for the modern lifestyle
- Modular system with unique custom branding through our full-color Faceplates
- Keyport Pivot comes with two-year subscription to our exclusive KeyportID Lost & Found service
- Exceptional customer support

Keyport develops streamlined everyday carry solutions at the intersection of utility, convenience, technology and style. Part premium key organizer, part Swiss Army style multi-tool, part universal smart remote, and part lost & found service, Keyport's fully customizable platform allows you to create your very own fully everyday carry solutions for the modern lifestyle. Unlike cheap keychains or stand-alone multi-tools, Keyports don't get thrown out or get relegated to a catch-all drawer after a few weeks. They become an indispensable part of the recipient's daily carry essentials, and Keyport's Faceplates make a unique branded experience that the recipient will still be thanking you for next year.

SIM Clip // Laser Engraved

Keyport SIM Card Clip is not your typical flimsy throwaway SIM removal tool. It's an EDC worthy hardened stainless steel tool you can clip to a passport or wallet, hang on a keychain, or add to your Keyport Pivot to switch out SIM cards whenever needed. Excellent giveaway item at tradeshow.
