## WHAT IS THE ART OF RECOGNITION? IT STARTS WITH PEOPLE.

Our cast stone products are made with raw materials. But it's our people who turn each piece into a work of art. Every aspect of our product is touched by hand. Sculptors and pattern makers design the piece. It is then cast by hand, sanded, decorated and finished—all in our factory located in the Midwestern U.S.

Our people give our products the quality you deserve. Our people make your order with pride, just for you.

*That is why each piece created by the people of StoneyCreek exemplifies the Art of Recognition.*
