Warranty: American Zebra warrants its products and decoration to be of good quality. Defective items will be replaced at no charge when returned within five (5) days of receipt. Our liability is limited to the invoice amount on order. Unauthorized returns will be refused and returned to the sender. Merchandise must be available to be returned for any credit or replacement.

Order Quantities: Orders are generally shipped in exact quantities. Due to the decoration process's nature, orders shipped 5% under will be considered complete.

Product Colors and Shade Variances: Product colors can vary slightly from one production run to the next. By nature, dark-colored plastics show blemishes that are not noticeable in other colors.

Plastic items Scuffs and Scratches: Due to the nature of plastics, scuffs and scratches can be seen on darker colored plastic items. This is unavoidable in the molding and printing process. These marks are not considered a defect and will not be eligible for a credit.

Foam Color & Thickness Variance: Due to the laminate surface of these products, Color and Foam consistency will vary within and from order to order; this is considered acceptable and within industry standards

Ink Odor: All silkscreen promotional products are printed with inks that must evaporate to dry. These vapors may be trapped in the product and cardboard packaging before entirely dissipating. Please allow the product to "air out" We will not re-run an order based on this common odor complaint, as it is part of the printing process.

Measuring the Ounce Size of Drinkware: We use the industry-standard measurement; filled to the brim capacity using pure water, give or take an ounce depending on elevation. In short, the higher a cup is from sea level, the less liquid it will hold. A 16-ounce cup in Santa Fe will hold less liquid than a 16-ounce cup in Galveston. American Zebra will not be liable for product size decisions. When in doubt, request a sample; we ask that you supply your UPS or FedEx shipping account number to cover the cost of shipping.

Blank Orders: Call the factory for stock availability and lead time. A minimum purchase of \$50.00(Z) is needed on all blank orders. Item sold in case increments will require complete case purchases. We do not accept returns on blank items.

Printing Distortions: Printing distortions on tapered products may occur on some logos, designs, geometric shapes (circles, ovals, triangles and will be conceded acceptable and within industry standards.

QR-Codes: We do not recommend screen-printing or sublimating QR codes on our products due to the ink consistency. One tiny flaw and the QR code may not work.

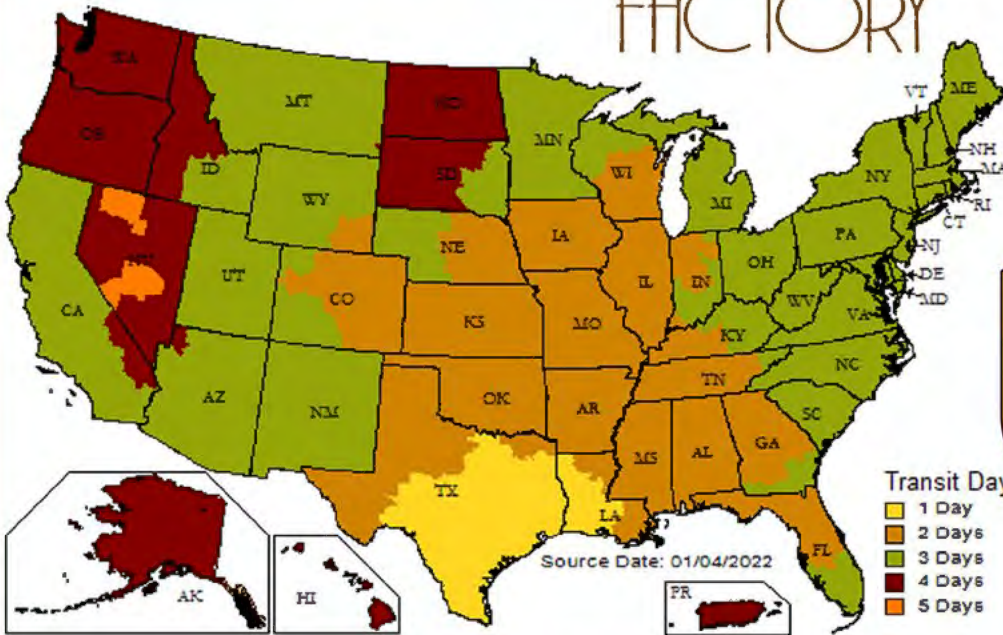

Washing of Plastic: Hand-Wash only with mild, liquid detergent soap. Do not place in dishwasher; avoid using commercial detergents or abrasive cleaners, which will damage the imprint and scratch the surface. Products are not for use in the restaurant environment.

Right to Promote: Unless specified in writing when the Purchase Order form is sent, we reserve the right to use any printed item for display and promotion. Some imprints that appear in our literature are products that we have printed; however, their presence does not constitute an endorsement.
