NEW ACCOUNTS

- To set up a prepay and credit card account, place an opening order of \$300 or more and provide your Sales Tax Certificate and/or Federal Tax I.D. number. Visa and Mastercard accepted.
- To apply for Net 30 terms, complete our credit application and place an opening order of \$1200 or more.

PRICING

- SARGE products are subject to possible tariffs that may apply and could incur price increases. Please contact Sarge Knives at 800.454.7448 to receive a quote.

FREIGHT

- All shipments are FOB Greer, SC. Orders of \$300 or more receive free freight via UPS Ground Service. Ships within the continental United States only.

WARRANTY

Sarge Knives Lifetime Warranty covers the defects due to workmanship of materials or manufacturer's defect. Lifetime warranty does not cover damage due to normal wear, abuse, improper maintenance, disassembly of parts, or attempted repair.

My grandfather, Roy Morris, (2nd on right) and his three brothers during WWII.

Most kids growing up will never forget their first pocket knife. My grandfather had quite a collection of knives I would admire whenever visiting. When I was old enough, he finally gave me one for my birthday. Mom wasn't happy, but I was beyond excited and carried it everywhere. That was the start of my own collection and a lifelong passion for knives.

That passion took on a life of its own when my father, Gene Morris, a successful entrepreneur in the construction/industrial/hardware industry wanted to start a company from the ground floor. We combined our mutual love of knives, his business savvy and resources, and my marketing background to form Sarge Knives. We felt Sarge was the perfect name to honor both my grandfathers who served in World War II. Wouldn't Granddad Roy, an Army Sergeant, have been proud to know the inspiration behind Sarge Knives was his present to me so many years ago.

Sarge is a family owned business in Greer, SC. Our mission when we started and still in existence today is simple: "Offer a wide variety of high quality knives at a value price point backed with a lifetime warranty."

How can we do that?... by carefully selecting and partnering with the very best factories in the world. Our knives are manufactured to strict specifications using high quality materials at the most economical prices. As one of the fastest growing knife companies in the industry, we are extremely proud of the company we created and the products we provide.

Experience Sarge for yourself. You'll see our knives will become part of your daily routine... Wake up, get dressed, put your Sarge knife in your pocket and tackle the day!

Matt Morris
VP of Sales

Always Rugged - Always Dependable - Always Sarge

Tom Kreger, retired U.S. Army Colonel

Winner of the Knife of the Year Award, Tom Kreger Series features a wide variety of styles made of various handle materials. These are hardworking knives and are great for all types of outdoor activities like hunting, fishing, work, or camping. Field tested throughout the United States under some of the most rigorous conditions, including the remote wilderness of Alaska, the Colonel's knives have passed with flying colors. So, you can count on their durability and reliability on your next outdoor adventure.
