Harrah's Resort | Atlantic City, New Jersey

**Promotions East will be awesome! If you still don't believe it, we figured we'd let your peers tell you what they think!**

Here's an opportunity to see your local sales rep in an exhibit space far larger than a table top. It's unlikely that any sales rep can make a virtual or in-person presentation that rivals what they can do in a 10' x 10' (or larger) trade show booth.

*Murray from Towel Specialities*

Hundreds of fellow distributors have already said, "YES!" to being at the largest promotional products show on the Eastern Seaboard and more are signing up daily! What's holding you back?!
