**INTRICATE DESIGN BORDER**  
Intricately designed border is difficult to reproduce.

**HIGH-SECURITY BACKGROUND COLORS**  
Copiers and scanners cannot duplicate these Blue, Green, Maroon, Gray or Tan background colors.

**THERMOCHROMIC INK**  
Disappears when heat is applied.

**ANTI-COPY TECHNOLOGY**  
This feature makes it very difficult to copy a document on the majority of copiers in use today.

**FOIL HOLOGRAM**  
Our multicolored, dimensional foil includes embedded security features and cannot be reproduced by copiers or scanners.

**CHEMICAL-WASH DETECTION AREA**  
Chemical alteration attempts result in speckling or stains in this lock area.

**MOBILE/REMOTE DEPOSIT REMINDER**  
Track and date deposits made via mobile device to prevent depositing checks twice.

**ORIGINAL DOCUMENT BACKER**  
Original document screening deters cut-and-paste alteration attempts.

**TRUE WATERMARK**  
Watermark pressed into paper can be seen by holding the check up to a light source but cannot be reproduced by copiers or scanners.

Also includes these security features:

- Chemical-sensitive paper
- Consecutive numbering
- Microprinted borders
- Toner adhesion
- Padlock icon
- Security warning box
- Warning border
- High-resolution border elements
