The 4-in-1 Drink Cooler is a perfect addition to any outdoor party, sports tailgating, pool parties, or just lounging at the beach. The double wall 18/8 stainless steel construction keeps your drink at the perfect temperature and securely holds bottles, standard size cans, skinny size cans, and doubles as a mixed drink tumbler. The removable Bluetooth Speaker Base is compatible with all Bluetooth enabled devices and can be used to stream your favorite music, podcasts, or audiobooks. The speaker base is also IPX6 water & dust resistant and features a built-in microphone, so you can take calls hands-free.
