CO-Packing: We do not co-pack or ship orders together. It is necessary to send a separate order for each art design and item number. Jobs travel through the production process separately and will ship individually.

Purchase Order Information: To ensure the most effective processing of your order, include the following – PO number, Company Name, and billing address. Your contact information, including name, phone number, fax number, and email address. Correct Item Code, Color, and Quantity desired; imprint color with PMS-Number for reference. Ship-To address, Shipping method (Ground is our default). In-Hands date (if applicable)

Standard Lead Time: 7-15 business days from receipt of a complete purchase order, ready-to-use vector art, payment, or final response, not including transit time, with the possibility of adding production days, should we need them due to material or production delays. Factory authorization is needed before sending a rush order. Call factory for specifics.

Ink Color with PMS-Number: We do not offer PMS-Match. We ask you to supply a PMS-Number for reference only. However, only near tonal values can be achieved and vary from original and repeat orders. Tonal values will not appear exact on dark products. We suggest a pre-production proof if the ink color is critical, offered at \$50.00(V) plus applicable screen charges. The Factory assumes no responsibility for incorrect tonal colors.

Pricing: We recommend you verify products and pricing before placing an order. Catalog pricing is subject to change without notice. We are not liable for incorrect information on third-party promotional product search engines.

Art acceptance for Screen Printing as follows: Adobe Illustrator (AI), Portable Document Format (PDF), Encapsulated Postscript (EPS), Scalable Vector Graphic (SVG), and Corel Draw (CDR 18.0 or earlier). Please make sure all fonts are converted to curves/outlines to ensure your imprint will appear as intended. We do not accept Office documents (.doc, .ppt, .xls) nor bitmap files such as JPEG, GIF, TIFF, PNG, or BMP as usable art. Vector files are needed for Screen-Printing.

Art files must be able to be broken apart and edited. Bitmap images embedded within the above file formats will not be accepted. Vector files are small (most under 1MB) and can be easily emailed. If you zoom in and see the pixelation, it is NOT in vector format.

Even if your product imprint color is WHITE, please make sure your art is sent in BLACK. Files sent in white appear empty when opened, making it easy to miss details. Please make sure all fonts are converted to curves/outlines to ensure your imprint will appear as intended.

Art acceptance for Dye Sublimation(4CP) as follows: Adobe Photoshop (PSD), Adobe Illustrator (AI), Portable Document Format (PDF), Tag Image File Format (TIFF), Encapsulated Postscript (EPS), and Corel Draw (CDR 18.0 or earlier). Art Must be sent ready to use on the desired template and must include the background color, or you may select from our stock Background Patterns shown on page 49 of our digital catalog. The resolution must be at least 300 dpi (dots per inch) scaled to imprint size. All text must be rasterized to ensure it will print as intended.

Ink Change: Offered at \$20.00(V) per change during a run.

Assort Product Colors within an order: Scuba and Neoprene \$3.00(Z) each. 50 pieces per color minimum. Stadium cups require a minimum of 100 pieces per color. Items sold in case increments will require full case purchases.

Therefore, any changes or cancellations will incur a 20% restocking fee. Prepay-Orders will incur a 3% fee to process a credit card refund. Partially/Completed orders cannot be changed or canceled. All changes must be sent via email and confirmed by phone.

Usage of your shipper number will not be allowed on future shipments. Submitted orders must indicate if the delivery address is Commercial or Residential. Shipping weights listed on the digital catalog are estimates only; real weights may vary. International shipments must include proper documentation, brokerage along with UPS shipper number.

The Factory is not responsible for any Duties, Tariffs, or other export fees. The factory has no control of delivery after being transferred to the shipper. Claims for damages, shortages must be placed with the carrier. Retain original cartons and contents for inspection.

The factory does not guarantee the orders' arrival. If the product is shipped per the schedule and arrives late due to shipper error, you must still pay for the order, less any refunds received from the shipper. Some orders may ship from alternative locations.

Warranty: American Zebra warrants its products and decoration to be of good quality. Defective items will be replaced at no charge when returned within five (5) days of receipt. Our liability is limited to the invoice amount on order. Unauthorized returns will be refused and returned to the sender. Merchandise must be available to be returned for any credit or replacement.

Order Quantities: Orders are generally shipped in exact quantities. Due to the decoration process's nature, orders shipped 5% under will be considered complete.

Product Colors and Shade Variances: Product colors can vary slightly from one production run to the next. By nature, dark-colored plastics show blemishes that are not noticeable in other colors.

Plastic items Scuffs and Scratches: Due to the nature of plastics, scuffs and scratches can be seen on darker colored plastic items. This is unavoidable in the molding and printing process. These marks are not considered a defect and will not be eligible for a credit.

Foam Color & Thickness Variance: Due to the laminate surface of these products, Color and Foam consistency will vary within and from order to order; this is considered acceptable and within industry standards

Ink Odor: All silkscreen promotional products are printed with inks that must evaporate to dry. These vapors may be trapped in the product and cardboard packaging before entirely dissipating. Please allow the product to "air out" We will not re-run an order based on this common odor complaint, as it is part of the printing process.

Measuring the Ounce Size of Drinkware: We use the industry-standard measurement; filled to the brim capacity using pure water, give or take an ounce depending on elevation. In short, the higher a cup is from sea level, the less liquid it will hold. A 16-ounce cup in Santa Fe will hold less liquid than a 16-ounce cup in Galveston. American Zebra will not be liable for product size decisions. When in doubt, request a sample; we ask that you supply your UPS or FedEx shipping account number to cover the cost of shipping.

Blank Orders: Call the factory for stock availability and lead time. A minimum purchase of \$50.00(Z) is needed on all blank orders. Item sold in case increments will require complete case purchases. We do not accept returns on blank items.

By placing these orders, Purchasers agree to hold American Zebra harmless for any damages, cost, or expenses arising under violation of these laws resulting from American Zebra's use of supplied artwork.

Returned Checks: All returned checks will be assessed for a \$25.00(Z) charge. Accepted methods of replacement payment are Credit Card or Money Order only.

Printing Distortions: Printing distortions on tapered products may occur on some logos, designs, geometric shapes (circles, ovals, triangles and will be conceded acceptable and within industry standards.

QR-Codes: We do not recommend screen-printing or sublimating QR codes on our products due to the ink consistency. One tiny flaw and the QR code may not work.

Washing of Plastic: Hand-Wash only with mild, liquid detergent soap. Do not place in dishwasher; avoid using commercial detergents or abrasive cleaners, which will damage the imprint and scratch the surface. Products are not for use in the restaurant environment.

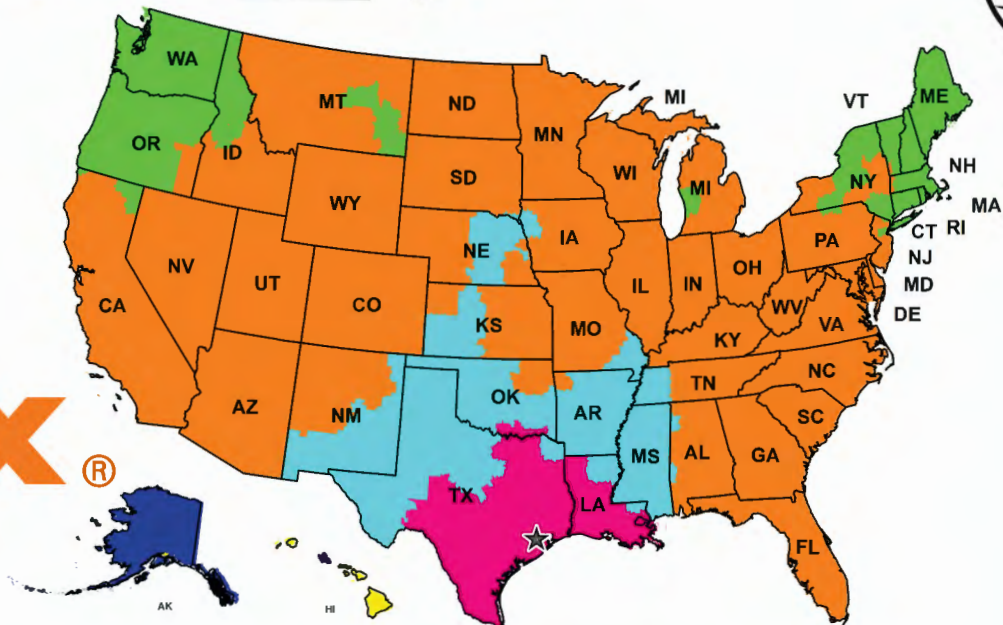

Right to Promote: Unless specified in writing when the Purchase Order form is sent, we reserve the right to use any printed item for display and promotion. Some imprints that appear in our literature are products that we have printed; however, their presence does not constitute an endorsement. Images shown on the product sample are not available for print.
