The **Claire Chase** couture collection has epitomized the finest in leather luggage since 1987. Every item is available in the finest, top-grain cowhide in your choice of colors: saddle, café or black. Fabulous corporate gifts can be found at any price point. **Claire Chase** artisans embroider or emboss the raw leather before the item is made, allowing you the ultimate choice in placement of your logo.

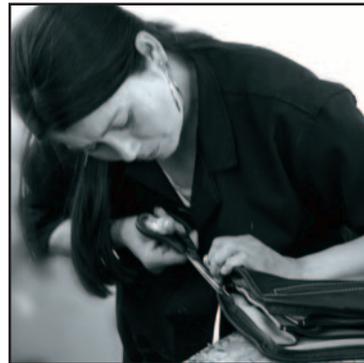

Every couture piece in the **Claire Chase Collection** is created from the highest quality top-grain cowhide leather selected from the finest sources in the world. Marked by their timeless beauty, surprisingly lightweight and richly textured feel, the line gets better with age. They are at once supple and velvety soft to the touch, yet durable enough to meet the demands of even the most seasoned traveler.

The exquisite leather styling is complemented by bold, distinctive hardware. Every zipper, buckle, retractable handle, in-line skate wheel and frame is uncompromised in its superior quality and performance.

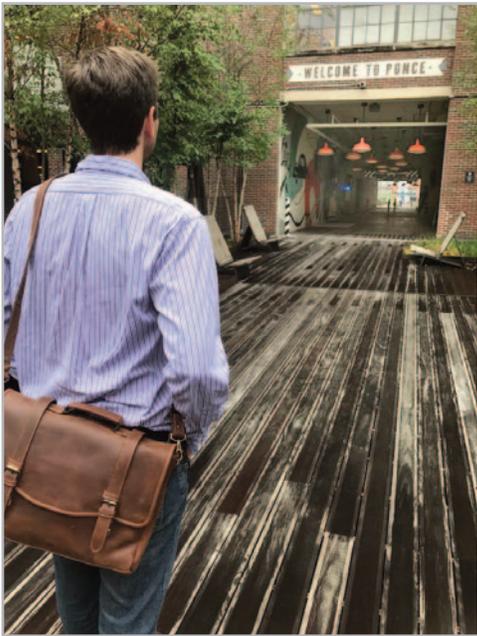

We specialize in doing **custom interior lining** on many of our leather products. It adds an amazing touch and our minimum quantities are less than you might expect.

Each couture piece is hand-crafted and made to order at the Claire Chase factory by leather artisans with individual care. Matchless craftsmanship is sewn into every impeccable stitch. Leather shoulder straps and handles are created with the ultimate comfort for the seasoned traveler.

The signature designs of the Claire Chase Collection never go out of style. The Collection is designed for the sophisticated traveler with discriminating taste.
