

Do It Yourself, Custom Tie-Dye T-Shirt Kits

Item# TDK

Our DIY Tie-Dye Kit is a unique way to get people to interact with your logo. The base kit includes a white shirt with a one color imprint of your design in one location, and the dye kit itself. Each kit comes with everything you need, (except water for mixing dyes), including bottles to mix the dye, ten dye color packets, rubber bands, and an instruction card. Great for Corporate Team Building, Remote Employees, Events, Schools and Youth Groups etc.

Get people to connect and create their own masterpiece to keep and wear with your logo and brand.
