Custom Design

Qualifications & Concept

We'll work with you and your client to develop ideas based on your vision and the award purpose, and will construct a product rendering for you to review and suggest changes as necessary. Once the product rendering is approved we will create a product proof. Photos of the product proof will be emailed for initial approval and then shipped to you for final approval. Once final approval is received, we begin production of your custom award.

Project Qualification

Do you answer "YES" to one or more of the questions below?
If so, your project is likely to be considered for a "CUSTOM" order.

- Do you want a unique award, specific to your purpose?
- Do you need 50 or more small or medium products?
Or 1 to 10 larger products
- Is this an ongoing program awarded annually?
- Do you want a copyrighted design?
- Do you want custom artwork incorporated into the product design?
- Do you want to use more than one imprint technique or product material?
