

Winter 2023

*stationery
collection*

by CARLSON CRAFT®

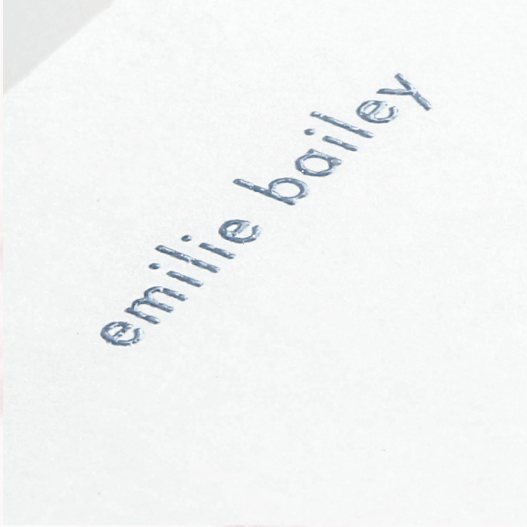

A collection of on-trend designs with specialty print options that let you put the personal back in personal stationery.

Stationery by Carlson Craft

The true lover of stationery knows well the tangible and intangible value of quality stationery. The design, the paper, the print process, the colors all come together to create a sophisticated and very much intentional representation of professional style and/or personal style.

The sheer elegance of letterpress, the luxurious feel of engraving, the brilliant shimmer of foil stamping are all available in Stationery by Carlson Craft. You will find many things in this collection like paper options, trim options, specialty finishes, envelope liners and envelope designs. So many choices!

Printing fine stationery is our business, but our goal is to make it personal.

Why Carlson Craft

For more than 70 years, Carlson Craft has been the trusted social stationery brand because of our unique designs, masterful craftsmanship and outstanding service. When you partner with Carlson Craft, you can offer your customers the perfect printed pieces for all of life's occasions. Your success is our success and we'll be with you every step of the way to help you drive continuous sales.

Inside you'll find our newest stationery, or visit us online at carlsoncraftproducts.com to view our complete product selection. We will release new stationery designs every year to ensure a fresh selection is always available.

Stationery Color Options

From bright and vibrant to soft and muted, many of our stationery items feature your choice of color options either on the foil or the artwork. Look for these icons:

Foil Colors

Choose your foil color to customize the foil design elements on items with this icon. See page 93 for foil colors.

Artwork Colors

Choose your ink color(s) to customize the artwork elements on items with this icon. See pages 91-92 for ink colors.

Stationery *collection*

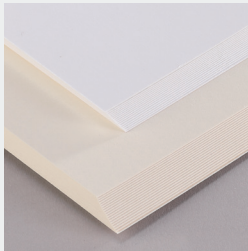

Digital, Thermography, Foil Stamping, Engraving

Perfectly printed personalized stationery sends just the right message. The Stationery Collection includes beloved print processes, top-quality papers and a unique variety of stationery styles. Upgrade thermography printing to foil stamping when personalizing online (you can change foil to thermography for no additional charge.) Select designs are available as both note cards and note card folders. Isn't it fun to have options?

Enjoy the gorgeous new designs scattered throughout the collection, and check out our new business cards on pages 54-55, then discover the weekly planners starting on page 82. Your customers will love these stationery gems!

Sizes and Envelopes

All cards (flat or folded) in this collection are A2 (4¼" x 5½") size. Most come with stylish euro flap envelopes (white or ecru depending on the stationery paper color). Letterpress note cards come with elegant, 100% cotton envelopes.

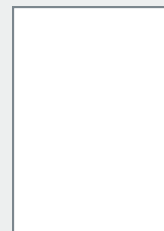

Trim Options

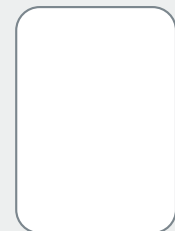

A new shape can create a brand-new look and feel for your stationery. Some stationery cards with square corners may be upgraded to rounded corners. Just look for the icon below!

Indicates stationery available with trim option upgrade.

White Ink Stationery

The look of fresh white ink on richly colored, high-quality paper is absolutely striking. Three distinct designs are available in a trio of colors and come complete with coordinating envelopes, which are also available with white ink printing. New this year are note cards and note folders featuring the rustic look of white ink printing on Kraft Paper.

White Ink Stationery Paper & Envelope Options

All cards on pages 50-53 (flat or folded) in this collection are A2 (4¼" x 5½") size and are available with the coordinating envelopes in the colors shown below.
