Trend Invitation Options

Printed Designer Envelopes

Designer envelopes are available as an upgrade for most Trend wedding invitations. Designer envelopes can be printed with guest addresses and a design to match the wedding invitation. The result is sophisticated and beautiful!

Printed Envelope Liners

Most invitation suites in the Trend Collection offer a coordinating envelope liner, but you can mix and match any envelope liner with most Trend invitations for a custom designer look. You can even change the artwork color on some envelope liners. These liners can be used with any envelope included with our 5" x 7" and 7" x 5" invitations or any invitation with a backer and/or pocket. Shop our envelope embellishments online to see all of the options.

Coordinating Tab Options

Matching pocket tabs are also available for an additional cost on most Trend wedding invitations. They are printed to achieve the same vibrant color and crisp detail as the invitation itself. Tabs are available with and without a backer. Tab backer colors are shown on page 51. Shop our invitation embellishments online to see all of the options.
