# IT'S NOT JUST A PRODUCT. IT'S A CAUSE.

Wounded Warrior  
Taniki Richard

Giving and giving back are great ways to show appreciation year round. Whether it's that special gift during the holidays, a thank you gift for a loyal customer or incentives for great employees, giving with Basecamp® extends your dollar even further.

Basecamp really stands out in our product line because a portion of the proceeds from sales is donated to Wounded Warrior Project® (WWP). SnugZ® is proud to support WWP which helps post 9/11 veterans and their families by providing life-changing programs and services at no cost to them. When you customize Basecamp products, you can feel good about the longevity of your product and the lasting impact on those who fought for our freedom.

Basecamp products are made for everything from the backcountry to the boardroom and are crafted with quality materials and rugged construction. So whether you're tearing it up at the conference or on the trail, they'll stand the test of time.
