## GRAPHICS & PRINTING

---

### In-House Design Services

We offer complimentary design services to help you create just what you're envisioning. Our professional, in-house designers are here to help you create print-ready quality **design layouts** and **3D mock-ups** for product presentations.

### File Formats Accepted

#### Vector File Types (Preferred)

- .AI (Illustrator File)
- .EPS
- .PDF (Fonts outlined & images embedded)

#### Other File Types

- .PSD (Photoshop)
- .JPG
- .PNG
- .TIFF

We recommend submitting graphics in vector format for a crisp, clear print. Images should be in high resolution (at least 150 dpi) at full size to ensure a clear print.

### Vector Logo Recreation

If your artwork isn't in the right format, don't worry because we can help! We can recreate any file into the correct format for just **\$65/hr**. This service will give you peace of mind to know that your logo will print in high-quality. We can even provide the vector files for your future use.

### Colors

To match your colors accurately, please provide **100% opaque PANTONE® Solid Coated (PMS C)** colors for reproduction. Please submit your files in **CMYK** color mode.

### Printing

Our printing workshop guarantees high resolution printing on all your products. We know that every product is used differently, which is why we offer multiple printing techniques from **dye-sublimation printing** to **screen printing** to prepare for every type of environment.

### Samples Available

We offer fabric samples for all our printed and stock color products. If you need to match an exact color, we can print a swatch with your design on most materials for a small cost. Please allow extra time for the production process in order for us to provide samples.
