FULL COLOR HEAT TRANSFER

Heat transfers are ideal for designs requiring full color designs, designs with gradations, or photo reproductions. Also best for designs requiring close registration on non-woven bags. Photographic images should be a minimum of 300dpi and provided at actual size. Minimum requirement for fonts are 16pt and 2pt lines. For best results, some minor adjustments may be required and you will be contacted for approval prior to any changes.

PMS IMPRINT COLORS

PMS match will come as close as possible, however absolute color match cannot be guaranteed on all surfaces. Or choose 'as close as possible' at no additional charge.

IMPRINT COLORS

White ink on colored bags will not print as a solid white. Due to the properties of the bag material and the transparent nature of the ink, the underlying bag color will introduce a color tint to the white. Some screened colors will vary in hue on colored bags as the transparent nature of the ink allows the underlying bag color to influence the resulting imprint color. A flash layer will be used whenever possible to offset these effects.

SHIPPING

Shipments are FOB NJ. Orders ship UPS Ground, unless requested otherwise on order. We are not responsible for shipping delays and any delivery errors made by carriers. Address change charges will be billed if incorrect address is provided. Any 3rd party charges (address correction, residential vs commercial, etc...) will be billed. DROP SHIPMENTS: no additional charge up to 2 locations. 3 or more locations are \$8.75 (V) each. CUSTOMER PROVIDED LABELS: add \$8.75 (V) handling fee per box if providing your own shipping labels

CARE

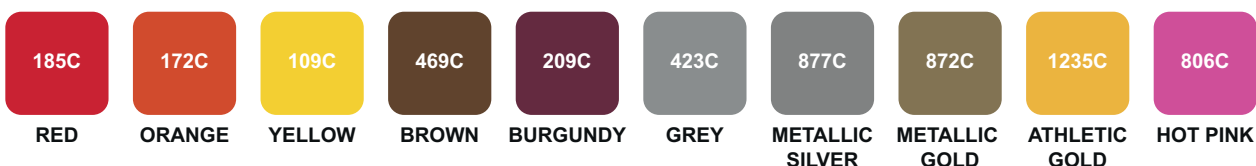

Hand-wash and spot clean only. We cannot guarantee the life or the look of the imprint once the item has been machine washed.

ISSUES/RETURNS

Any discrepancies in quantity or quality of goods received must be reported within 48 hours of receipt. An RMA must be provided before goods are returned. Restocking fees may apply for blank items.

DISCLAIMER

All orders are subject to product availability. We are not liable for delays due to material shortages, customs, shipping, or acts of God. Due to manufacturing tolerances, all product dimensions have acceptable variations of 1/4". Decoration also allows 1/4" variation. Production color may vary slightly from catalog images. We cannot guarantee continuity of exact construction of finished goods. We are not responsible for pricing or information errors found in third part publications (ie: ESP, SAGE, etc...) Logos shown in this catalog are for illustrative purposes only and do not imply endorsement and are not for sale except by authorized owner.
