# About Us

---

Welcome to PCG Line, Inc. – Home of Pacific Coast Golf.

Our company was founded in 2009 as a family business specializing in high-end, made-to-order promotional golf products. My father and I have been in the golf business since 1988 and we wanted to bring our passion for the game to this incredible industry. And now we are so excited that another family member, Jay Hobbs, is part of the PCG Family Team. He is a great guy and hopefully you will get to meet him at an upcoming show.

If you are not familiar with us, PCG is most known for our robust line of custom golf covers and pouches which are sold through our distributor network to many PGA Tour events as well as to professional sport teams, colleges, charitable organizations, and businesses throughout the county. Whether you are looking for a set or just individual covers, we have it all. Our covers and pouches are handmade and we use the best embroidery equipment in the business.

At PCG Line, we strive for perfection and overlook no detail in our design and manufacturing processes. This pursuit of perfection is why we have been awarded both a 5-Star Rating by the Advertising Specialty Institute as well as a A+ Rating from SAGE online for the past 15 years.

So I invite you now to look around our site and if you see something that interests you or if you just want to discuss ideas, please send me an email to [mark@pcgline.com](mailto:mark@pcgline.com). It's that simple...we are here for you.

Thank you for your time and we look forward to working with you soon.
