Julie was amazing to work with! My emails were answered quickly, and she made sure my order was taken care of and shipped on time when I didn't think it could make the event date. When I used my own shipper number, she even hand delivered it to the carrier! We do this kind of thing for our customers all the time, so it's great to partner with like-minded supplier!!

PRODUCT INFORMATION

Artwork and specifications

Art is accepted in EPS format for Adobe Illustrator. When using a vector program please convert your fonts to outlines. Low resolution jpegs are not acceptable, JPG must be 300 DPI. If image is scanned or created with a digital camera, RGB files must be converted to CMYK. Changes or corrections to your artwork or custom artwork will be billed at \$75 per hour (G) with notification prior to beginning. Full bleed add .10 (A) regular paper. Art department's email address is art@seedcards.com.

Production Time

Standard production time is 8-10 days from receipt of proof approval. Other factors include quantity, stock, and order volume, as most items are handmade; please call for production times

Proofs

Proof approval is required on all orders. Proofs will be emailed in PDF or JPG format, depending on file size. Two email proofs are included; three or more will incur a \$20 charge per proof. Proofs can be approved by email or fax.

Samples

Free samples are available upon request (limited quantities). Excessive samples will be charged as an order. Please provide a Fedex or UPS number for expedited samples.

Send sample request to Lauri@seedcards.com or Julie@seedcards.com

Rush Orders

Rush orders are available with one week or less turnaround for \$50 (G) minimum, plus any other charge we may incur, such as expediting dies, etc.

Printable Seed Paper

Because of the material, there are limitations to the printability of our seed paper. Minimum ink coverage is recommended. For larger quantity orders, expect longer production times.

International Shipments

Customer must provide UPS or FedEx number for all international shipments. It is the customer's responsibility to inquire if customs allows seed paper to enter the country.

Pricing

Prices published in this catalog are subject to change. All pricing is code (A) unless otherwise noted. Set-up fees are code (G).

Cancellations

Order cancellations must be submitted in writing. If the order has been printed, customer will be responsible for charges incurred.

Returns

Please open and inspect your shipment as soon as it is received. Returns will be accepted up to 30 days after receipt of order.

Drop Shipments

Customers with multiple drop-shipments will be charged \$6.0 (G) for each additional ship-to address, plus applicable shipping charges.

Overruns/Underruns

For stock orders exact quantities are shipped; for orders with diecutting & letterpressing or custom orders there is a 10% overrun/underrun policy.

Production Samples

Pre-production samples are \$35-\$75 (G). If a custom die is needed, die-creation fee will be quoted and is additional. Pre-payment for the die is required.

Product Virtual Samples

One product virtual to be included per potential order, each additional virtual to be charged at \$20.00 (G).
