

## We have the Missing Piece! **CREDIT**

At Bankers Advertising, we've got every piece in place to support your success! Financial stability is one of our cornerstones, ensuring you can focus on growing your sales. With a strong balance sheet, your commissions are paid weekly and deposited directly into your account, so you always stay ahead. We also offer lucrative bonus programs, including one of the best annual cash bonuses in the industry, quarterly new account bonuses, and our exclusive Bankers Advantage Bonus on sales from our in-house lines.

Our credit services are another key piece—we handle order financing, credit reviews, and post-shipment collection of account receivables, so you can concentrate on what you do best: making sales.
