 LUGGAGE, TRAVEL GEAR & ACCESSORIES

The **Claire Chase** couture collection has epitomized the finest in leather luggage since 1987. Every item is available in the finest, top-grain cowhide in your choice of colors: saddle, café or black. Fabulous corporate gifts can be found at any price point. **Claire Chase** artisans embroider or emboss the raw leather before the item is made, allowing you the ultimate choice in placement of your logo.

Every couture piece in the **Claire Chase Collection** is created from the highest quality top-grain cowhide leather selected from the finest sources in the world. Marked by their timeless beauty, surprisingly lightweight and richly textured feel, the line gets better with age. They are at once supple and velvety soft to the touch, yet durable enough to meet the demands of even the most seasoned traveler.

The exquisite leather styling is complemented by bold, distinctive hardware. Every zipper, buckle, retractable handle, in-line skate wheel and frame is uncompromised in its superior quality and performance.

We specialize in doing **custom interior lining** on many of our leather products. It adds an amazing touch and our minimum quantities are less than you might expect.

Each couture piece is hand-crafted and made to order at the Claire Chase factory by leather artisans with individual care. Matchless craftsmanship is sewn into every impeccable stitch. Leather shoulder straps and handles are created with the ultimate comfort for the seasoned traveler.

The signature designs of the Claire Chase Collection never go out of style. The Collection is designed for the sophisticated traveler with discriminating taste. Get your company noticed in a subtle way by embossing your Claire Chase product. To showcase your company logo in a bolder fashion, try embroidery. Buying from Claire Chase, you are guaranteed the best in leather and corporate gifts.

Each piece is individually Hand-Crafted.

“I had the pleasure of meeting the staff of **Claire Chase** in Orlando at the PGA Golf Show. Having pitched in the Major Leagues for over 12 years, I know the importance of quality luggage that can handle the rigors of intense travel. **Claire Chase** luggage is the finest I have ever owned and would certainly recommend it to all my friends and associates.”

Dennis Rasmussen
MLB Pitcher - New York Yankees 1983 - 1995

“I was introduced to **Claire Chase** at a trade show and was immediately impressed with the quality of their products. Over the past four years we have reordered many times and continue to be impressed. The quality of the workmanship, attention to detail and their level of customer service sets them apart from the competition. I continue to recommend **Claire Chase** to my friends and business associates.”

Gary Albert
President & CEO, ActivTrax

“I adore my **Claire Chase** luggage. I travel for both work and pleasure. I wanted luggage that makes a statement and is as original and as enduring as my restaurants!”

Barbara Lazaroff
Owner, Spago’s Restaurant, Beverly Hills, CA

“My assistant purchased a piece of luggage from the **ClaireChase** Collection, and we both were very impressed with its quality and feel. I also purchased a piece for each of my nine children and their spouses, as well as for each member of my office staff. I sometimes struggle to find good gifts, but I certainly hit a home run with this one.”
