SUSTAINABLE FACILITY

We are proud to recognize the role we play as a responsible manufacturing leader and advocate for sustainable print solutions.

MADE IN THE USA

Keepsake Products USA proudly stands as a dedicated American-made supplier.

Solar Energy

On clear summer days, our facility runs entirely on solar power, with excess energy returned to the grid.

LED Lights

Our facility is fully lit with energy-efficient LED lighting.

No Tarrifs

Absence of import tariffs that can increase your costs.

No Border Delays

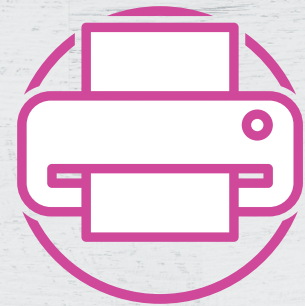

We ship directly from our Carlstadt, NJ facility—eliminating border delays and shipping complications.

FSC®-Certified Materials

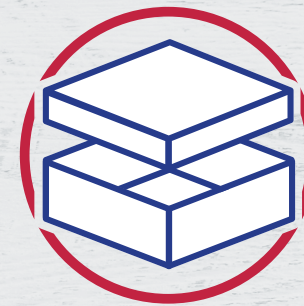

We prioritize FSC®-certified and recycled papers to support responsible forestry.

How it Works

Step 1 Choose Your Product

The smart products chip can be inserted into any of our boxes, pillow pods, bubble mailers, cans, or flick books. The choice is up to you!

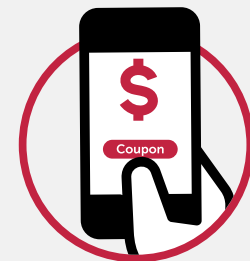

Step 2 Choose Your Digital Experiences

Our smart products chip allows users to engage with various digital experiences. On first tap, they can view an informational video; on second tap, they can receive a special offer; and on third tap, they can visit a customized landing page to collect user data. Provide your content, and we'll take care of the rest.

Step 3 Tap Smart Products Icon On Product

With a single tap on your smartphone*, unveil the digital experience and encourage more engagement!

Step 4 Tap Again To Reveal Next Experience

Tap on the product once more to unlock an exciting new experience. Will they uncover a valuable coupon code for their next purchase, or perhaps an engaging informational video that enhances their understanding of your brand?

The decision is entirely in your hands!

*NFC technology works with all Android and iPhone 10, and newer devices. Chip is active for 1 year.

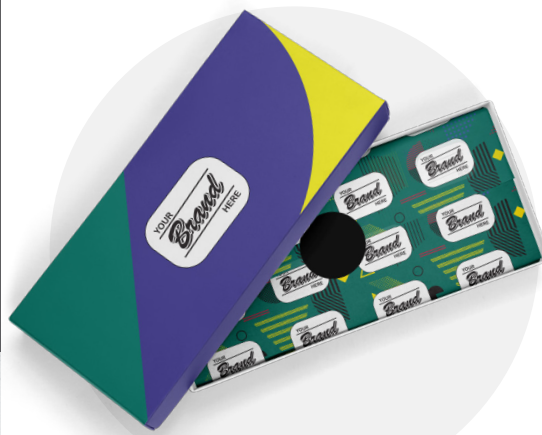

ACCESSORIZE

Don't Forget The Sparkle & Shine

Elevate your client's brand identity by integrating eye-catching and distinctive accessories into their packaging design. By thoughtfully incorporating elements such as tissue paper, gift wrap, unique labels, or charming tags, you can create a memorable unboxing experience for your clients that resonates with them long after they've received their order. This attention to detail not only enhances the aesthetic appeal of their packaging but also fosters a deeper connection with your clientele, ensuring that their brand remains top-of-mind.

ENGAGE YOUR SENSES

Transform Your Project Into An Experience

Our packaging is designed to captivate, surpassing the traditional confines of four printed sides. By harnessing cutting-edge technology, we transform every project into a memorable experience that your clients will hold dear for years to come. Each detail is carefully crafted to ensure that the presentation not only meets but exceeds expectations, leaving a lasting impression that resonates long after the unboxing.

NFC TECHNOLOGY

Add an interactive flare to your box

Our products now feature NFC (Near-Field Communication) technology, allowing for the creation of one or multiple custom digital experiences to engage the end user.

BUDDHA BOARD

Create a zen experience

The Buddha Board offers a serene painting experience. Simply use water to paint on the board's surface and witness your creation come to life.

VIDEO

Send a personalized video or message

Video enhances the quality of your project. Deliver a personalized message to your recipient or highlight your latest promotional video.

LIGHTS & SOUND

Set the mood

Enhance the ambiance of your project by incorporating sound chips and lights, allowing you to create a highly immersive experience.

SCENT

Add engaging scent to your box

Transform your package into a sensory delight by infusing it with an enchanting fragrance that captivates the senses and lifts the mood.

KITTING

Full-Service Kitting

After your box is designed and printed, utilize our kitting services. Simply send us your items, and our experienced team will carefully assemble your box.

How it Works

Step 1

Choose whether you need us to build a custom box or supply us with the box.

Step 2

Send all products to:
Keepsake Products USA
651 Garden Street
Carlstadt, NJ 07072

Step 3

Once we receive all products and final PO it will take about two-three days to kit your project.

DROP SHIPPING

International or Domestic

For a convenient one-stop shopping experience, let us handle the shipping. Whether you need items shipped in bulk or individually, we've got you covered.

How it Works

Dropship to One or Multiple Locations

Choose Fedex or UPS to bulk ship your box to your client or individually ship it to it's recipient.

Trucking on Larger Orders

Placing a large order, then trucking might be your best option.

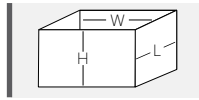

Not sure where to start with that packaging project? This helpful checklist will assist you on your packaging journey.

Let's start with the basics Box Info

1 Product Dimensions

This is the basis for how we will price and build your box.

2 What's Your Budget

This helps guide us to the correct style of box. If you're not sure that's okay, as we get more information about your project we can get a better idea of a budget.

3 Box Style

Soft-Touch Boxes 	Round Boxes 	Corrugated Boxes 	Cans 	Bubble Mailers 	Pillow Pods
High-End Price Range		Mid-End Price Range		Low-End Price Range	

4 Box Material

Soft-Touch

A soft-touch lamination added to the paper stock gives the box a luxurious velvety feel.

Corrugated

E flute - Thinnest cardboard option, ideal for printing smaller boxes that require folding, such as takeout food containers and cosmetic packaging.

B flute - Medium cardboard option, ideal for most printing due to its good printing surface. Used to hold small products, such as canned goods

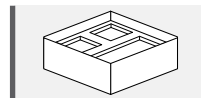

E Flute Is Best For Self Mailers

5 What's Going in the Box

This information helps us determine how to keep the items inside the box safe and presentable, when building your box.

6 Custom Die Cut Inserts

Custom inserts will add a professional look to your final presentation, as well as safely house your items.

7 How is Your Box Being Presented

Will your box be handed out in person or individually shipped to the recipients. This helps us determine how your items should be packed. If your box is being shipped we can design a custom shipping box to house and protect your beautiful box, so it arrives safely and undamaged!

Now let's add some color Printing & Paper Info

1 Paper Color For Classic Keepsake Boxes

Choose from one of our 22 color options.

2 Ink Color

All boxes are printed using full-color CMYK digital printing, so you choose any color you desire.

3 Print Options

Emboss Creates a slightly raised image off of the paper stock.	CMYK Full-color digital printing, any color can be produced.	Foil Creates a luxurious and gleaming design that replicates a metallic finish.	Liquid Domed Creates a 3D appearance, adding dimension to your branding.
--	--	---	--

4 Print Location

Where would you like your logo printed? You can choose to print your logo on just the top of the box or print it anywhere! The boxes are fully printable using full-color CMYK digital printing.

But WAIT there's so much more to offer
Add-on Info

1 Accessorize

2 Tissue Paper

Bring a touch of elegance and whimsy to your box with branded, full-color custom tissue paper.

3 Gift Wrap

Really make your box stand out with branded full-color custom printed Gift Wrap.

4 NFC Technology, Lights, Sound, Video, Scent

Incorporate cutting-edge technology, with NFC technology, lights, sound, video or even scent!

5 Hand Assembly/Kitting

Sit back and relax, while your box is hand assembled and kitted for a true one stop shopping experience.

And lastly, let's get that beautiful box into the clients or recipients hands!
Fulfillment/Distribution

1 Dropship to One or Multiple Locations

Choose Fedex or UPS to bulk ship your box to your client or individually ship it to it's recipient.

2 Trucking on Larger Orders

Placing a large order, then trucking might be your best option.

Okay we're almost at the finish line, now it's time to build your box!
Production Time

1 Production Comp - 3 Business Days

After you send us your PO and any required product samples it will take about three business days for you to receive a production comp of the box for your approval.

2 Final Production - 7-10 Business Days

Once the production comp has been approved, it will take about 7-10 business days for full production. The clock for production starts ONLY after you give us the final approval of the proof.

3 Kitting/Fulfillment - 2-3 Business Days

If you would like us to also kit your project, we will need an additional 3 business days.

Please note production times are estimates and subject to change without notice, and may vary based on the size and complexity of a project. The estimates listed are minimums and during COVID and peak season (Q4), production times can be longer.
